

I shall not call you servente any more because a servant does not know his master's business; I call you friends, because I have made known to you everything I have learnt from my Father.

You did not choose me, no, I chose you; and I commissioned you; to go out and to bear fruit, fruit that will last; and then the Father will give you anything you ask him in my name.

What I command you is to love one another.

COMMEMORATION

TO THE WORK OF THE CHRISTIAN BROTHERS IN NORTH AMERICA

The Brothers's residence at Vancouver College, founded 1922.

Vancouver College has remained alive for the past fifty-four years thanks to the work of the Christian Brothers. As students, none of us has really seen or felt the coming to life of our school or the striving of the Christian Brothers to keep it running as it has been for over half a century. Where exactly did Vancouver College come from? How did it get started? The answers to these questions are found in the establishment of the Christian Brothers in North America.

Although 1876 marks the opening of the first of the Brothers' schools in North America, the Christian Brothers were originally asked in 1831 by Bishop Fleming of St. John's to send out a group of religious teachers. Because of the great demand for their services in Ireland, Brother Edmund Ignatius Rice found it impossible to meet the request, and the project was temporarily dropped.

Br. Rowland, Superior of the Brothers at Vancouver College, along with Br. J.F. McGowan, Left; Provincial Superior of the Brothers for the Western Province of the U.S., and Br. J.L. Kelly, Right; Superior General of the Congregation of Christian Brothers.

In 1847, Dr. Fleming was successful in getting four members of the Franciscan Brothers Community to travel to Newfoundland, but after a few years they left, and the schools were left in the hands of lay teachers.

In 1863, the Benevolent Irish Society called on Bishop Mullock to take up the matter of sending a number of religious teachers to Newfoundland, preferably a group of Irish Christian Brothers. Again, because of commitments in their native land, the Brothers were unable to send a group out at that time.

In 1875, the Benevolent Irish Society stressed the fact that the Christian Brothers' coming to North America was absolutely necessary for the continuation of the present schools. Bishop Mullock appealed to the Christian Brothers to take charge of the schools, and at last the application for their services was received. Rev. Brothers Hoope and Macdonald were sent by the Superior General to survey the educational problems and to study the local conditions. As a result of their study, they arranged to take charge of the schools from January of 1876. The four Brothers making up this first community were Brothers Holland, Prenderville, Mitchell and Tully.

Mount St. Francis Monastery, the Brothers first house in North America. It is the residence for the Brothers who teach at St. Patrick's Hall, St. John's.

The introduction of the Christian Brothers into the schools of Newfoundland raised the attendance from sixty-six students to over three hundred in the first month of their instructions. The increase in students was so incredible that "...many others who had applied for admission had to be denied entrance for lack of accomodation. The system was far superior to anything which had obtained in the classes since their establishment in 1832." This problem of expansion was solved by the subcription of \$13,000 by the Benevolent Irish Society to erect a new school. In July of 1877, the cornerstone of St. Patrick's hall was laid. The construction of this structure began only six months after the first foundation of Mt. St. Francis Monastery had been laid. Three years later, both buildings were completed, and although this extra space was provided, overcrowding was still a large problem. As a result, Holy Cross School in St. John's was erected in 1890.

From here, the Christian Brothers moved strongly across Newfoundland, then slowly spread into the rest of Canada and the United States. In August of 1889, the Brothers officially took over St. Bonaventures College. In 1898 Mount Cashel Orphanage was opened in Newfoundland.

In 1906, the Brothers' first American school was opened in New York City. Since then, a number of schools have been opened in the States, coming as far west as Washington.

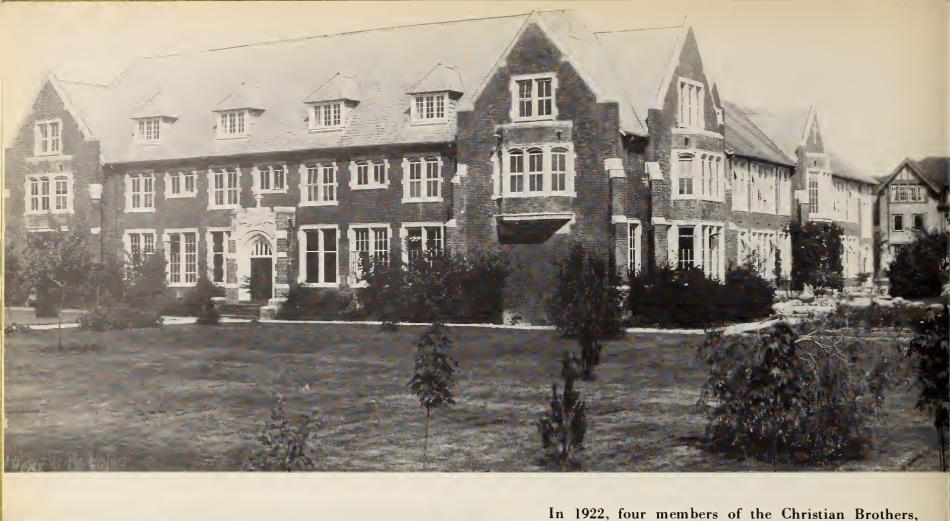

Br. J.S. Nash, Left; Assistant Superior General of the Brothers, along with Br. Bates, our school principal.

In 1915, St. Louis College in Victoria was taken over by the Brothers. It had previously been run by the Oblate Fathers and the Sisters of St. Ann. From here, the influence of the Christian Brothers spread to Vancouver, where Vancouver College was opened in 1922 in Rosary Hall on Richards Street. In 1924, the College moved to its present property.

From this time on, the Christian Brothers have opened a large number of schools across North America including O'Dea High School in Seattle, Iona College in New Rochelle, Cantwell High School in Montebello, Los Angeles, St. Joseph Academy in Antigua and St. Mary's Academy in Dominica, to mention just a few.

For one hundred years, the Christian Brothers have been going strong in North America, spreading their good works across the continent. We pay a special tribute to them in their centennial year and hope that their work will persist for centuries to come.

headed by Br. M.J. Lannon arrived in Vancouver to open Vancouver College. To illustrate the interest the Brothers aroused in Vancouver, 91 students turned up on the opening day of school, Sept. 5, 1922. The Brothers residence was at 1112 Broughton St. whereas the school was in what is presently Rosary Hall on Richards Street.

The Shaughnessy Heights location was purchased with the aid of Fr. W. O'Boyle and Charles Stafford. The original wing, now known as Lannon Hall, was opened in 1925. McCormack Hall, built through the generosity of J.D. McCormack, was built in 1927 and housed thirty boarders. After completion of this wing, the enrollment rose to 300 students.

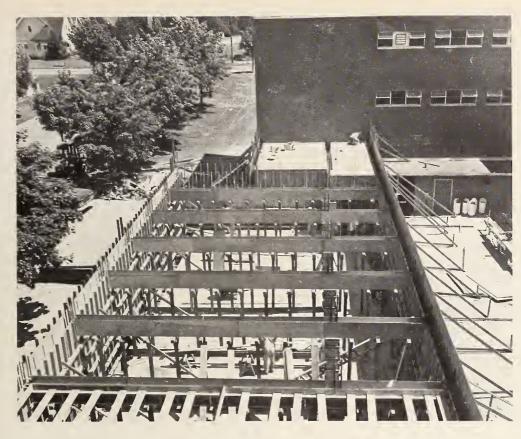

During the Depression years, the enrollment fell to 200 students. College growth was somewhat stunted during this period.

In 1939 at the Depression's close, Br. E.B. Walsh became principal of Vancouver College. He served V.C. for 28 years as an administrator and teacher. By the end of his term in 1945, he had been successful in raising \$45,000 toward a Gymnasium for the College.

THE DEVELOPMENT OF VANCOUVER COLLEGE

A year later a more urgent building need arose. A fire broke out ruining the top floors of McCormack and Lannon Halls. A new roof was built without the characteristic peak seen on the school prior to the damage.

Growth continued and the long-delayed gymnasium was built and opened in 1950. Enrollment rose to 600 under Br. W.C. Penny's term as principal (1948-54). During this term, tennis courts were built in front of the gymnasium and the driveways were blacktopped.

During Br. Bates' first term as principal (1954-60) crowding in the school forced expansion. \$125,000 was provided by Henry J. Mackin for the building of a new wing. This extension provided a cafeteria and extra classroom space. In 1959, \$50,000 was spent to blacktop a play area east of the gymnasium and drain tiles were installed beneath the surface of the field.

Br. F.R. Finch (1960-66) made further additions to the top of the gymnasium, adding locker space and shower facilities. Nichol Hall, facing 38th Ave. was constructed, housing six more classrooms and two laboratories. The addition was named after Monsignor T.M. Nichol, a long-time friend of the College.

Since this time, Brothers Clarkson, Bucher, and Bates have succeeded as principals, with Br. Bates, just completing the first year of his second term.

Vancouver College has fought strongly to survive and grow throughout this century. We hope to see it spread further, lending its direction to more and more students in the years to come.

The great fire at V.C. The top floors of McCormack and Lannon Halls were destroyed and had to be reconstructed.

DEDICATION

MR. LEE WAI

Lee Wai, our cook at V.C. for nearly four decades passed away December 19th after a short illness. He was seventy-six years of age. Born in Victoria, B.C., he went to China with his family at an early age but returned to Canada as a young man and remained permanently except for a four-month visit three years ago.

Some spiritual writers have stated that the measure of a human being is how perfectly he fulfills the duties of his state of life. By this standard Lee Wai ranked with the highest for he labored conscientiously and without public acclaim over many years for the benefit of others. No call for his assitance ever went unanswered and he rendered his services cheerfully, full of the joy of giving.

Numerous Christian Brothers who were assigned to Vancouver College between 1940 and the present time have returned to Vancouver to be greeted by name by Mr. Lee who seemed never to forget a name or a face - a sign of his enduring personal interest in the people he served. The words of Alexander Pope provide a suitable epitaph for this trusted associate.

"In action faithful, and in honour clear Who broke no promise, served no private end Who gained to title and who lost no friend." MAY HE REST IN PEACE.

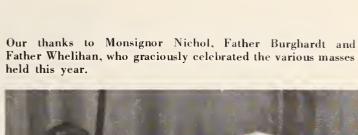

Most Reverend James F. Carney, '33 Archibishop of Vancouver

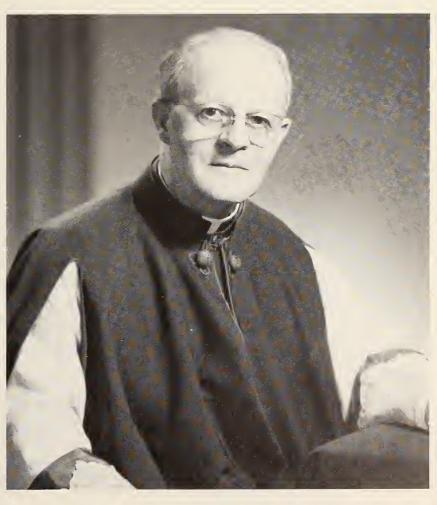

Rt. Reverend T.M. Nichol, V.G. Pastor Sts. Peter and Paul Parish

REV. JAMES WHELIHAN, C.S.B., CHAPLAIN

Our chaplain, Fr. Whelihan of the Basilian Fathers came to us from St. Mark's College at U.B.C. Already he has provided a needed priestly presence at College by making Mass and the sacraments available to the students. Father's long years of experience as a football coach at St. Mary's High School in Calgary enabled him to help Br. Duff with the grammar school football program last fall.

ADMINISTRATION

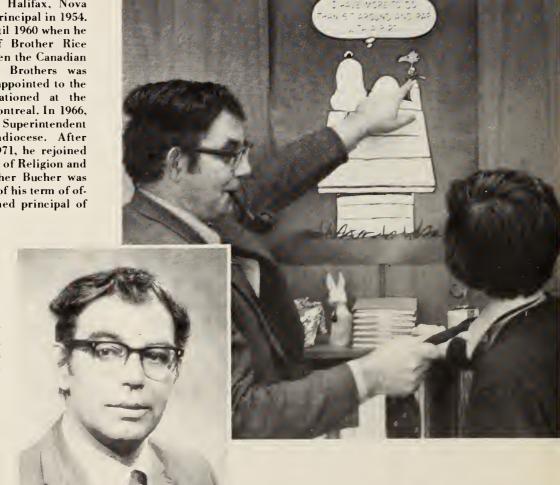

BR. JAMES C. BATES, PH.D.

Brother Bates, a native of Halifax, Nova Scotia, first came to V.C. as principal in 1954. He served in this position until 1960 when he was appointed principal of Brother Rice High School in Chicago. When the Canadian Province of the Christian Brothers was established in 1963, he was appointed to the Provincial Council and stationed at the Brothers' headquarters in Montreal. In 1966, he returned to Vancouver as Superintendent of Schools for the Archdiocese. After resigning this position in 1971, he rejoined the College faculty as teacher of Religion and French. In 1975 when Brother Bucher was assigned to Rome at the end of his term of office, Brother Bates was named principal of V.C. for the second time.

MR. JOHN KAVALEC, B.SC.

A native of Flin Flon, our beloved Vice-Principal and Dean of Discipline is now in his ninth year at the College. When he is not tracking down wayward students or trying to find substitute teachers, Mr. Kavalee spends his time tormenting his Biology classes. This year he has embarked on an organized program in a vain attempt to reform Fr. Whelihan, the College Chaplain.

MRS. MARGARET FRY, REGISTRAR

Mrs. Fry, Dean of the Office Staff, has been at the College's Registrar for the past twenty years. Her many tasks, ranging from dealing with admissions to giving a word of advice to troubled students, have helped to contribute to the smooth running of the school. This year the lay faculty and staff elected her as their representative on the Faculty Council.

SECRETARY

Mrs. Neilson has been Mrs. Fry's assistant in the office for the past five years. Her background as a policewoman in Her Majesty's Secret Service stands her in good stead as she tracks down absentees and latecomers.

"Doc" as she is familiarly known in the faculty room has been the school nurse since 1971. Mrs. Patterson has coordinated a "Youth Development Program" in cooperation with the College Religion Department.

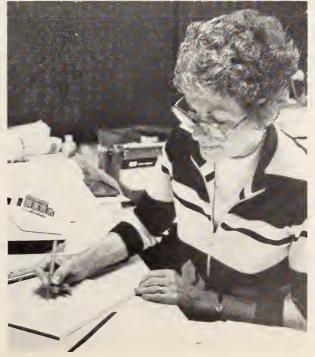

MRS. P. SADLER, TREASURER

MRS. M. STEFANOV, SECRETARY

Mrs. Stefanov has served as the Alumni Secretary as well as general office assistant since the Mothers' Volunteer program took over her position in the Senior Library two years ago. A mother of two V.C. grads, she has continued to devote much of her time in keeping things

running smoothly in the office.

Mrs. Sadler, our new treasurer, is one of those many people whose work behind the scenes makes a complex operation like V.C. run smoothly. She is no stranger to the College as

It is a great pity that men and women forget that they have been children. Parents are apt to be foreigners to their sons and daughters. Maturity is the gate of Paradise which shuts behind us; and our memories are gradually weaned from the glories in which our nativity was cradled.

This year saw a few changes in the grammar school football program. A new teacher, Mr. Clavin, came to the College. He now coaches one of the teams while Br. Duff coaches the other. Last year, three teams competed however this year only two teams were formed. Mr. Clavin's team, the Shamrocks, came out as the over - all winners, while Br. Duff's A's tried their best and came up with second place. This year only four games were played, the first three seeing Mr. Clavin's Shamrocks as the victors and in the last game, Br. Duff's A's came up with a win. All in all, both teams enjoyed themselves immensely and showed a real Irish effort.

A common scene saw Sam (the dog whou could play football) doing her best to gain control of the ball. Here, she and David Fahey try to elude Karel Carhoun as he runs for a touchdown.

Under the skillful leadership of Brother Furey the cast and crew of Pinocchio displayed their theatrical talents to the highest degree. Once again the cast enjoyed the musical direction of Mrs. Koch and the dance direction of Mrs. Coulson as they developed the story-written by Carlo Collodi into a great success on the stage of the Metro Theatre. Grammar school students from both V.C. and L.F.A. provided two hours of enjoyable entertainment on both December 16 and 17 for the entire audience. Pinocchio was played by Michael Stack while David Kilian acted as Pinocchio turned real. The audience saw David Green as Geppetto and Sean Murphy as Jiminy Cricket. Much credit should also go to the Faithful stage crew and Mrs. Coulson's Dance Troup.

A former V.C. grad himself, Mr. Kazun returned to Vancouver College this year to teach grade eleven and twelve chemistry and to moderate the Senior Tutorial programme. Being an avid music lover, in his spare time he assists Brother Taylor with the musical and even started a band on his own.

TWELVE YEAR MEN

BACK ROW: Jery Eberts, Rob Estey, Tom Body, Dennis Maion. SECOND ROW. Ed Mulhern, Pat Kennedy.

FRONT ROW: Brendan McGivern, Joe McCaffery.

Twelve years ago a new class of primary students entered the College. Of them, seven were to last the full term at College. Each has matured in his own way and has given to the College in his own way, from athletics, to editing the school newspaper. Today each of them is preparing to head out into the world, leaving his school life behind, but taking with him the fond memory of concerned teachers and friendly fellow students.

Can you guess who the Twelve Year Men are in this picture.

RYAN PATRICK LYNCH

Ryan is going to have a feeling of emotion at Graduation this spring. He's going to miss College. Besides enjoying intramurals at school, he can also be found playing hockey, tennis or skiing. A year or so of travelling before joining the RCMP are his post-graduation plans.

ROBERT MACKAY

Hiking down daily from the slopes of West Vancouver, Rob enjoys the College life. At school he is involved in track and field, wrestling, writing articles for the VoiCe and he is also on the Student Council. His spare time is filled with camping and bike riding. Travel and university are his future plans.

Doug McConnell, Mike Coady and Mike Luz join in with Br. Taylor for the singing at school Masses.

JOSEPH MCCAFFREY

Joe is another of the lucky few twelve year men from Richmond. He is a member of the varsity football squad at school. On his own time he is a successful boxer. Next year he plans to travel and see the world.

DOUGLAS JAMES CHRISTOPHER MCCONNELL

Doug has been a popular figure since he arrived at V.C. During his stay at College Doug has been a Cheerleader, played in intramurals, and is a member of the Yearbook staff (in the darkroom). His interests include all sports and marine biology. After graduation he plans to work and travel.

Mike Varelas heads back to his desk after getting his workers back on the job.

BRENDAN PHILIP PATRICK MCGIVERN

Having already petitioned to join the leisure class on completing grade twelve, next year Con intends to take whatever steps are necessary to achieve that end.

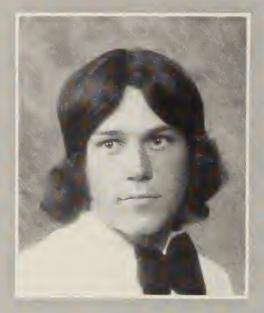

DENNIS ANTONIO
MAION

Twelve years ago Dennis entered College bewildered with school life. Today he is leaving, bewildered with the life outside. During his stay Dennis has played floor hockey, basketball, volleyball, softball, soccer and "lunchtime football". He enjoys the outdoor life which ties in with his future plans as a Forest Engineer.

MICHAEL BORIS MANGE

Some of his interests include cars, girls, skiing and swimming. His future plans include going to Bristol University in England to take Medicine.

His interests include elementary school tutoring, skating, hockey and chemistry. Next year he plans to travel to Australia and possibly go into education on his return.

"How can anybody find class exciting?" wonders Tom Body.

The Senior Tutorial Program, now in its second year at College, is a program which allows its members to work on courses not offered in the regular school program, ranging from playwriting and research to automechanics and marine biology. By placing the course completely in the hands of the students, the program tries to teach them responsibility and self-direction.

THE ACTIVITY SECTION

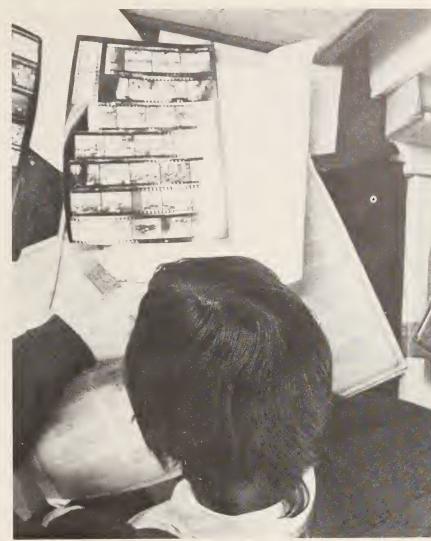

By far the most interesting and by far the most challenging section in the whole Yearbook is the Activities Section. The Editor of this section, Jerry Eberts, is by far the most dedicated and hardworking staff member, and is the only member who had any idea what was going on in this year's Collegian. It was he who advised the Editor-in-Chief Mike Varelas. Good Old Jerry!

MUSICAL 1975

This year's Musical "West Side Story" played for five nights at the Metro Theatre. Receiving three standing ovations, it is probably the biggest success that the collaboration of Vancouver College and Little Flower Academy has produced in six years of working together. The VC-LFA Musical Association is sure to stay as one of the greatest clubs at either of the two schools.

The pictures on these pages are chosen from many of the scenes of West Side Story, starring Tom Sigurdson, Nancy Herb, and many others.

The Jets, led by Pete Golinsky as Riff, have fierce battles with the Puerto Rican gang known as the Sharks, always drawing a stalemate. Throughout the story Tony, played by Tom Sigurdson, falls deeper and deeper in love with Maria, played by Nancy Herb. Maria's brother, played by Mike Luz, is leader of the Sharks, and he, along with his girl, Anita (Barb McDonald) try to dissuade Maria from loving Tony.

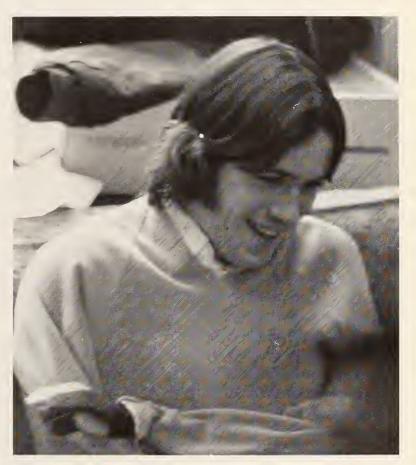

V.C. in ACTION

V.C. in action! And everyone agrees that just about everybody at V.C. does get involved! Our school President Mike Luz, our school Prophet Joshua March, our school Mascot Harry Fleming, our school Jester Jeffy Harris, our school Ego Robby Campball, and our school Editors Jerome Eberts and Brendan Philip Patrick McGivern, led the students of good ol' Vancouver College in both abundant School Spirit and Pride.

Compliments of R and M HYDER and MARETIC HOLDINGS

As can be seen from this picture of the V.C. Band, our Director Mr. Gordon Olson had quite a job. The band performed at Pep Rallies and other school functions, and was a real asset.

The Dance Committee was headed by Paul Clarke and Jon Hobbs. These two buddies stuck side-by-side all year long to produce dances that were as good as last year's. These two friends were assisted by Harry Fleming, Shawn Philley, Dave J. Longpre, Owen Davis, Pat Kennedy, Mike Gailey, Don Andrews, Gordon Lemere, and a host of thousands. On Saturday nights the Dance Committee liked to get together to talk about the exploits of the previous Saturday night. Paul Clarke was often quoted as saying, "Wanna buy a ticket?" and immediately afterwards apologizing.

This year's Grad Committee, following the tradition begun so many years ago, consisted of Grade Twelves. A number of highly enjoyable Pre-Grads were planned and we await in anticipation of this year's Grad. With a Committee consisting of Grade Twelves, how could it not be a success?

The Leadership Institute consisted of Steve Dotto, Timmy Koss, Mark Kozlowski, Hewitt Woolner, Jeffy Harris, the absent Jerry Eberts, and Joshua March.

Joshua headed this group which pioneered the field of Student Leadership and involvement.

Will Joshua March's fame never cease? The Letterman Club, led by Mr. March, cheered on the two teams as never before. They were assisted by the newly formed

Pep Club. The Pep Club was a rejuvenated version of the old one which has "Civilians" without letters cheering the teams.

The newly rejuvenated Printing Room and Sound Club took over the old haunts, and, with paint bucket in hand, managed to fix up both of these places, once again making them fit for human habitation. The Printing Room was a subdivision of the omnipresent brain known as Starmother. Headed by a group of students almost entirely from Richmond (Rob Campbell, Mark Kozlowski, Timmy Koss, and Paul Lakowski), the Printing Room faithfully tried.

The many times throughout the year that the Student Body gathered together, there was usually an urgent need to make even louder the praising or damning voices of our leaders. I'm sure all students noticed how quickly and professionally the microphones and other sound equipment were set up by Starmother Productions and its affiliates. No one knows what the origin of Starmother is....

WEDNESDAY ACTIVITIES

For the fifth year in a row it was possible, on a Wednesday afternoon, to see the Vancouver College High School set off in pursuit of a very welcome escape from school-work. This year's Activity Periods contained many possibilities. Everything from Psychology and Study to the Musical and Ice Hockey were offered, and the wide range gave every student a real choice.

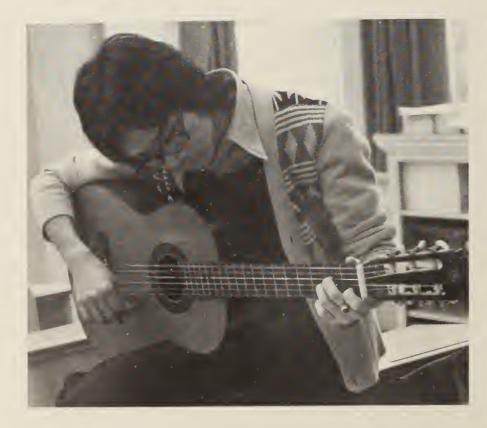

College was the first school to set up these Activities, and since then other schools have followed our lead.

Although no credits were given for participating, an Activity such as Psychology or Woodworking give the interested student a good start in the field.

As can be seen from these photographs, not all the students took their Activity seriously, but just enjoyed the break they provided.

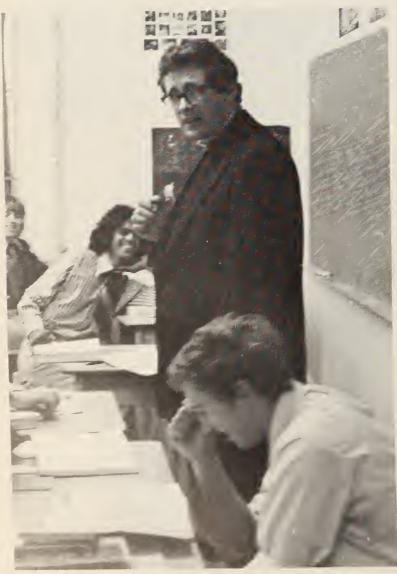

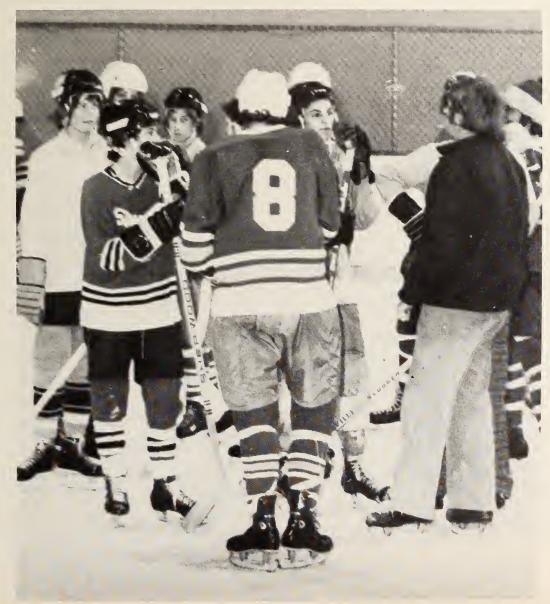

THE VOICE

Hailed as possibly the greatest source of happiness known to the average Vancouver College student, the VoiCe steamed ahead and executed many fine and glorious moves which enabled it to make tremendous strides in the reporting world.

For the first time in two years, the VoiCe was totally run and edited by the students, and of course was better than ever because of this.

Jerome Brewster Eberts and Brendan Philip Patrick McGivern co-edited this upstanding, "fighting" newspaper. The sardonic wit of Mr. Eberts, and the catatonic cat-calls of the infinitely beguiling Mr. McGivern, blended to give a truly unique flavor to every page of the VoiCe.

Spurred on by their favorite moderator, Br. Rowland, the pair teamed up to report on anything and everything. The on-the-spot coverage was most apparent in the (semi) bi-weekly-monthly Extras that hit the stands, free of charge. This year's VoiCe involved more students than ever before.

For more than three weeks, those who played sports at Vancouver College secretly felt they weren't getting their fair share of publicity in the school newspaper. Most often, this took its literal form in the shape of grafitti written on the gym lockers.

But, this year, for the first time there arose an intelligent young man from the bowels of the football team named Joshua Mad Dog March who took it into his own hands to create, as he so bluntly put it, "A Foot-A-Bal Newspaper."

Joe, assisted by the likes of Harry Karrass, Gordie Bettiol, Jon Hobbs, and the irrepairable Jaime de Sequera, involved all the athletes of the school and produced a paper which lasted the whole length of the season.

THE HUDDLE

LEADERSHIP CONFERENCE

The Vancouver College Student Leadership Institute hosted its conference on December 5 and 6, 1975.

Co-ordinated by Joshua "King"

March, it was a howling success.

For livening up the second day, there were two speakers, Mr. Cal Murphy, the Head Coach of the B.C. Lions, and College's own Br. M.A. Maher.

From Notre Dame University, South Bend, Indiana came the Institute's head Fr. Tom Chambers, and Rich Hunter.

INTRAMURALS

Under the watchful eye of mischievous Brother J.E. Wright, the second year of the Vancouver College Intramural Program was more successful than ever. The three sports offered were Floor Hockey, Basketball, and Volleyball. Although a little too late for publication of this mighty tome, at time of writing we understood that the plans for Volleyball were well under way, and that we could look forward to a great season. We're sure that Brother Wright will continue to help the students with their Intramural Program in the years to come. This year's student rep. for the Program was Hewitt Woolner.

EBERTS, JANET, NANCY
and PIXIE.

The 1976 Collegian was produced almost entirely by graduating students, with the help of a few grades elevens and tens.

This year's Editor was none other than the effervescent Michael Varelas. The task set before him was not a simple one-- there are many different aspects to the Yearbook that have to be contained and controlled, and often things have an opportunity of getting out of hand.

Working with Mike was Br. Rowland, the Collegian's Moderator. And of course, the Staff itself contributed the major portion of the work to the book. Rob Shipman, Business Director; Doug McConnell, Darkroom Chief; Jerry Eberts, Activities Editor; Ed Auersperg, Head of the Photography Department; Dave Dubé, Editor for Senior Classes; Joseph March, King of the Sports Section; and the many other Sub-Editors, and their assistants, made up this dedicated and loyal staff.

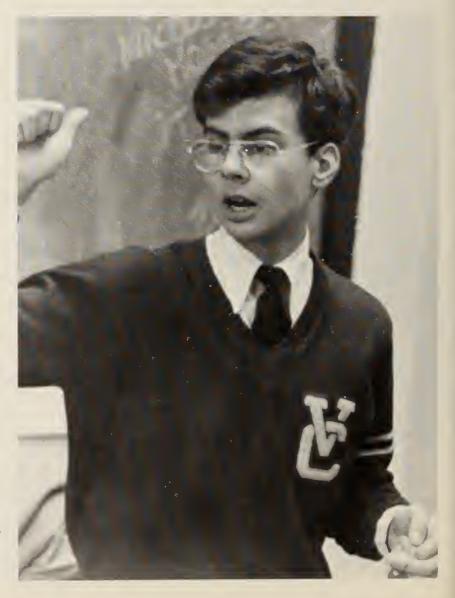

Jerry Eberts worked steadfastly round the clock to finish his deadline. It's now four o'clock in the morning.

SEATED, Left to Right Are: Peter Irving and Joe March, the ilustrious workers of the Sports Section. They did magnificently.

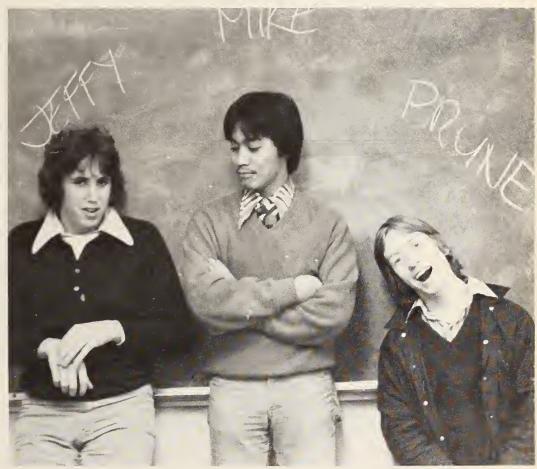

Mike Varelas, The Big Boss, shouts and screams at one of the weekly Tuesday meetings. Is that a paper airplane in his hand? Tsk, tsk!

1976 COUNCIL

This years Vancouver College Student Council consisted of Mike Luz, Jeff Harris, Brendan McGivern, and usually B.B. Culos. These four hard-working, dedicated individuals worked together all year.

Twelve years ago, the Collegian had a page entirely devoted to Pant Styles. Well, looking back at those short, wrinkled trousers made us think: What will our children think of us in twenty years?

So now, for the first time this year, the 1976

So now, for the first time this year, the 1976 Collegian brings you a photographic record of what some of our heads looked like in what will soon be "The Good Old Days."

The pictures on these pages illustrate but a tiny percentage of the many and varied hair styles adorning the skulls of College students. View them and weep.

Mr. Greg Emry, Coach of the Varsity football team.

This year's version of the Fighting Irish varsity football team proved powerful in the Skyline League. Losing two games early in the season to Bellingham and an unusually strong Centennial team left the Irish undaunted as they returned to win 6 straight games against O'Dea, Sardis, Port Moody, North Delta, St. Thomas More, and Kitsilano. Ultimately it all boiled down to the Archbishops' game against Notre Dame. The Irish fared poorly against their strong arch-rivals and ended up in the 3rd place in the Skyline League. Coach Greg Emry and Jerry Parr must be greatly commended on a fine season (6 wins, 3 losses) and we wish them all the best for next season.

For the first time in several vears the Irish were where they belong in the B.C. tournament. Winning the Belmont and Skyline tournaments, coming second in the Emerald, Cross Mainland and Lower Mainland tournaments and finally placing seventh in the Provincial Tournament they managed to amass a winloss record of 27 wins and 7 losses. Defence was the key to their success and running second to that was desire. Coaches Br. Dawson and Mark Simpson proved that cooperation is the way to roll. We congratulate this group of fins young men and their coaches on a job well done.

FRIENDS

Honest men esteem and value nothing so much in this world as a real friend. Such a one is as it were another self, to whom we impart our most secret thoughts, who partakes of our joy, and comforts us in our affliction; add to this, that his company is an everlasting pleasure to us.

THE FORD ENTRE

FROM THE BUD' CLUB; ODE TO THE GRADS OF 1976

It was the night of our Grad And all through the Town, The Seniors were working to get beer down We had waited twelve long years for this glorious day, We dreamt of how to spend it, And this was the way. Sitting at the table with our toes curled round ten more, ray! Four dollars was found all of us were happy and why shouldn't we be, school was over, we had been set free.

We talked about the future Of what we would now do, Ah, the hell with it, Let's go down to the Blue! Later that evening, Commencements in the gym, I could see Br. Bates now, His face really grim. The ceremony was over us grads were let out, and as we reached the door, someone gave a shout....

"Look out world,
here I come.",
Going into business,
I'll find my place in the sun.
We jumped in our cars
On to celebration,
Our throats tingling
With great expectation.

The party was a usual great, And so was the Grad, Everyone had a good time, Everyone went mad.

But now it's all over, We won't be coming back, Teachers count their blessings, And the grads hit the sack!

I shall not call you servants any more because a servant does not know his master's business; I call you friends, because I have made known to you everything I have learnt from my Father.

You did not choose me, ne, I chose you; and I commissioned you; to go cut and to bear fruit, fruit that will last; and then the Father will give you anything you ask him in my name.

What I command you is to love one another.
